

Water Cents

Preferred Customer Service Program

- **Perform annual in-home water inspection, including;**
 - *Identify and tag incoming water valve*
 - *Hot heater maintenance:*
 - Flush sediment from the heater
 - Inspect heater, valves and piping
 - *Inspect plumbing fixtures and hoses for signs of wear or leaking, including:*
 - Sinks, including under the kitchen sink
 - Toilets
 - Ice-maker
 - Dishwasher
 - Clothes washer
 - *Identify potential sources for water conservation:*
 - Low-flow toilets
 - Low-flow showerheads
 - Faucet aerators
 - *Ways to protect the home from water damage:*
 - Automatic water shut-off systems
 - Leak detection systems
 - Routine maintenance

- **10% off future services.** Preferred Customer's will receive 10% off all plumbing service repairs* during the length of the contract. We want to assist you by fixing the minor issues before they become large repairs (*during regular business hours).

- **Preferred appointment scheduling.** Preferred Customer's will receive priority appointment scheduling. When you need service, we will dispatch the next available plumber or the appointment will be scheduled at your convenience.

- **Straight time pricing.** Preferred Customer's will not be charged overtime rates for emergency service. We will be available 24 hours a day, 7 days a week to address any plumbing emergencies that arise.

*The cost for the Preferred Customer Service Plan is
\$120 for one year or \$200 for two years.*
